Meeting ID: 95617197636

Passcode: 924293

Educational objectives:

1. Become familiar with the core definitions and concepts in AI that impact primary care.
2. Explore the promise and peril of AI and how family medicine and AAFP can address the perils and promote the promise.
3. Identify AI innovations that promote physician mastery, purpose, and autonomy, leading to a more fulfilling primary care experience.

Disclosure Statement: The faculty and planners have no relevant financial relationship with ineligible companies, whose primary business is producing, marketing, selling, reselling, or distributing health care products used by or on patients.

Continuing Medical Education Credits: The School of Medicine, State University of New York at Stony Brook, is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The School of Medicine, State University of New York at Stony Brook designates this live activity for a maximum of **1 AMA PRA Category 1 Credits™**. Physicians should only claim credit commensurate with the extent of their participation in the activity.
